

Crew Health Programme Pre Employment Medical Examination Programme Certificate of Approval

This is to certify that:

CMETE Clinic, Paris, France.

has been audited according to the quality standards of the UK P&I Club to verify that the medical practice, and the organization, meet the standards required of a maritime medical examiner practice. The clinic is hereby approved to conduct medical examinations on prospective crew on behalf of the UK P&I Club.

The purpose of the medical examination being to assess the fitness of the crewmember for employment on ship at sea owned and/or operated by participating shipowners.

A handwritten signature in purple ink, reading 'S Bullard', positioned above a horizontal line.

Signed by Sophia Bullard
On behalf of the UK P&I Club Crew Health Programme

Dated: 18th July 2023

Audit Date: 15th February 2023
